

WE ARE ONE!

Day of Solidarity Night Vigil – Monday, April 4, 2011

6:30 PM

**Gather at San Diego Civic Center Plaza
1200 3rd Avenue, San Diego, CA 92101**

UNAC/UHCP, Sharp Professional Nurses Network, Kaiser San Diego Health Care Professionals Association, and the Balboa Hospital Nurses Association invite you to attend a candle light vigil to support workers rights everywhere and speak out against the attacks on union rights taking place across the country.

IT'S SIMPLE: ATTACKS ON UNIONS ARE ATTACKS ON OUR PATIENTS!

If collective bargaining rights were eliminated for health care professionals, we would lose the right to advocate for our patients' safety.
