

# Why is Beverly Hospital Such a **Scrooge**?

Bargaining Update: December 7, 2011

Today at bargaining, we proposed 7 holidays paid at time and a half. Surrounding community hospitals reward and respect their RNs with twice as many paid holidays as Beverly Hospital. Check it out.

- Greater El Monte Community Hospital: 6
- San Gabriel Valley Medical Center: 5
- Lakewood Regional Medical Center: 6
- Presbyterian Intercommunity Hospital: 6
- **Beverly Hospital: 3**

**We Won Seniority Rights!** At bargaining today we reached agreement on seniority; now we have rights regarding job bidding, promotions, layoffs. Congratulations to all of us!
