

Important Parking Alert

* South Bay Medical Center *

Distribution Date: Friday, October 21, 2011

Please note important changes to both the Vermont Pavilion Parking Structure (Garage #1) and Parkview Parking Structure (Garage #2).

What:	When:	Where & Impact:
<p>Vermont Pavilion Parking Structure (Garage #1, Corner of Vermont and Normandie)</p> <p>Ramp 1C (first floor to second floor)</p>	<p>Effective Monday, October 24</p> <p>Additional changes will be made after Coastline inpatient unit opens – scheduled for November 8.</p>	<p>Employee parking in the Vermont Pavilion parking structure will be allowed on Ramp 1C (ramp leading from the first to the second floor). Signage will be posted for employee parking in this area. This reassignment is the result of member parking shifting closer to Coastline and the Parkview parking structure.</p> <p>This change is temporary. Be careful which stall you park in as there will be additional changes in the coming months. New employee parking areas will be marked by signage.</p> <p>Parking in assigned member parking is a violation of Medical Center Parking Policy 6424. Employees parking in member designated areas from Monday through Friday, 6:00 a.m. – 4:30 p.m., are subject to progressive discipline and are likely to have their car towed and placed in impound. Please park only in spots designated for employees.</p>
<p>Parkview Parking Structure (Garage #2, Corner of PCH and Vermont)</p> <p>Ramp 3B and selected areas on third floor</p>	<p>Effective Monday, October 24.</p> <p>Additional changes will be made after Coastline inpatient unit opens – scheduled for November 8.</p>	<p>Employee parking in the Parkview parking structure will be reduced to accommodate additional member designated parking to service Coastline members. Ramp 3B and areas close to the elevator on the third level will be designated for member parking.</p> <p>Areas changed will be clearly marked as “Member Only.” Please do not risk getting your car towed by parking in one of these spots if you are an employee.</p> <p>Staff can utilize the additional parking made available in the Vermont Pavilion parking structure (Garage #1). Trams (golf cart type vehicles) are available to transport employees from the parking area to the entrances of Parkview, Coastline, Lakeside and the Main Hospital.</p>
