

We Deserve More!

Chino RNs are already among the lowest paid in our region and among Prime Healthcare hospitals in California.

But that's not enough for management. Here's what else they've proposed to do:

- **Eliminate Sick Leave cash out** when an RN leaves Chino
- **Eliminate Holiday cash out** when an RN leaves Chino
- **Eliminate "anytime" cash out of Paid Time Off** to only allow cash outs twice a year
- **Eliminate the PPO medical benefits**, even for those RNs currently enrolled
- **\$1.00 reduction** in On Call Pay for OR Staff RNs
- **No guaranteed annual wage increases** like those given to other Prime Healthcare RNs
- Merit increases ***instead of guaranteed annual wage increases***
