

Invitation to a Raise

"I along with the rest of the Organizing Committee do **not** object to UHS giving out our annual raises. All our hard work makes it well deserved!"

—Nina Ballard, RN, Inland Valley ED

UNAC/UHCP hereby invites Rancho Springs & Inland Valley Hospitals to give their annual raises to each and every RN now in their employ.

UNAC/UHCP does not stand in the way of RNs getting their planned wage increases.

Where: *Inland Valley Medical Center
Rancho Springs Medical Center*

When: *Immediately*

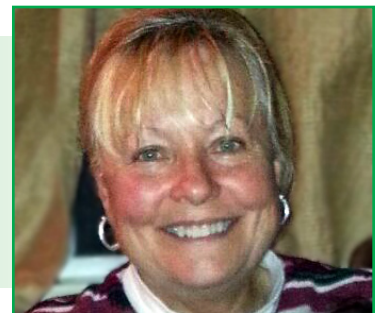

What: *Annual raises for every RN*

We believe that all nurses should be paid fairly and that every RN deserves a raise.

"The Rancho Springs and Inland Valley RNs should be valued for the work we do. We work very hard, even in difficult situations, and we deserve our annual raises."

—Linda Hayes, RN, Rancho Springs
