

BENEFITING OUR PATIENTS, NURSES AND COMMUNITY THROUGH UNITY

Lakewood Registered Nurses Association

Our Bargaining Team with LRNA members discussing the negotiations.

Bargaining Highlights: May 17, 2013

Contract negotiations took on an exciting and energetic tone when nearly a dozen LRNA members joined our bargaining team to observe our proposals about staffing, floating, cancellation and scheduling, and management's response.

Suzette Alison made us proud with a very effective power point presentation proposing staffing ratios for chemo patients. **Did management hear us? Come next time to see their response.**

We reached tentative agreement on new lay off language protecting seniority and years of service.

Join our bargaining team and coworkers on June 4 and 5 to hear first hand why management argues to protect shared employees and give them more floating and cancellation rights than our own nurses.

Help make sure we achieve a strong contract. Your presence makes a difference. *It did on May 14!*
