

# Rally for a Free and Fair Election!

The Election Will Be Held on July 18 and 19!

**Registered Nurses at Rancho Springs and Inland Valley Medical Centers are building our Union so we can protect our patients, our community and ourselves.**

We want an election free from:

- **Forced meetings** that take us away from our patients
- **Interrogations**
- **Surveillance**
- **Distortions** of the truth
- **Discrimination** based on union activity

## Open Forum

We also propose the idea of an Open Forum to be scheduled prior to the election, in which representatives from both management and UNAC/ UHCP can address nurses openly and respectfully and answer our questions.
