

# Federal Government to Prosecute UHS!

## *RNs & Supporters Rally for Free & Fair Election*

**The National Labor Relations Board (NLRB) has decided to prosecute UHS for anti-union firm Yessin's interference** with the free choice of Inland Valley and Rancho Springs nurses leading up to our original election dates in January.

Charges to be prosecuted include:

- 1. Interrogation**
- 2. Threats** of termination, hospital closure, that UHS would never negotiate a contract, etc.
- 3. Discrimination** based on union activity
- 4. Surveillance** of employees' protected activity
- 5. Creating false hopes** that they would fix problems at the hospital in order to discourage voting for the union

**We challenge UHS & Yessin to refrain from intimidation, harassment and threats.**

**We call for a Free and Fair election July 18 & 19!**

On Friday June 28, over sixty people rallied at Rancho Springs Medical Center for a Free and Fair Election on July 18 & 19. A reporter from *The Murrieta Patch* covered the rally.

**“UHS has continually dismissed our concerns about patient care. The only time they listen to us is when there’s union activity. I believe that with the union’s help, the hospital will address our concerns.”**

—Ramona Moll, RN, Inland Valley ER

**“I’ve personally seen how working together we can improve working conditions like safe staffing to benefit patients.”**

—Charmaine Morales, RN  
UNAC/UHCP State Secretary
