

# SHOWDOWN: HIGH NOON

## THURSDAY

Bargaining Update: June 11, 2014

As Parkview RNs, we all know that our wages fall short of community standards. Our wage grid proposal was a step toward fixing those wage inequities.

### Keeping Us Underpaid

Management flatly rejected our wage proposal yesterday. They intend to keep us underpaid.

### If You Want Fair Wages: Be There for the Showdown

Management will deliver their Last, Best and Final offer on wages *Thursday at noon.*

Be there to hear what they think we deserve.
