

JOIN US IN PASADENA

THURSDAY, JULY 16

PASADENA CITY HALL

9AM

CAL/OSHA STANDARDS BOARD MTG.

The Cal/OSHA Standards Board is holding its July meeting in Southern California and UNAC/UHCP will be there to protest the recently revised and significantly weakened workplace violence prevention regulations now under consideration for approval by the Board.

Powerful anti-bullying language previously included in the draft regulations was recently removed by the Board's leadership, thus eliminating a hard won standard fought for by UNAC/UHCP and others during a series of five robust public advisory meetings.

JULY 16

The weakened draft regulations will be reviewed by the Standards Board on July 16 at the Pasadena City Hall. Their recommendation for or against approving the regulations will be made to Cal/OSHA following the meeting.

We must unite now to send a strong message to the Board that we won't accept the watered down regulatory standards currently under consideration. Giving workplace bullying a pass is not acceptable.

Please come to this important meeting. You can drive yourself or catch the bus at LAMC, departing at 7:45am for a roundtrip ride to rally and protest.

Email info@unacuhcp.org to RSVP!

When: Thursday, July 16

Where: Pasadena City Hall, 100 North Garfield Avenue, Pasadena

Time: Rally at 9am, Board Meeting at 10am
