

# "We Support Corona RNs!"

More than 150 UNAC/UHCP members from hospitals throughout Southern California—including RNs; PAs; NPs; Midwives; Pharmacists; Optometrists; Physical, Occupational and Recreation Therapists and others—rallied with Corona residents and community leaders at Corona City Hall and Corona Regional Medical Center yesterday in support of our struggle for patient safety in our hospital.

# Patient Safety First at Corona

Corona RN Flo Bautista addressed the crowd and told a *Riverside Press-Enterprise* reporter about our struggle for safe patient care.

Letters calling for Corona Mayor Jason Scott to support Corona RNs' struggle for patient safety were delivered, signed by two dozen Corona business owners, residents and community leaders, more than 150 UNAC/UHCP members, and the Corona RN bargaining team.

U.S. Congressional candidate Tim Sheridan & UNAC/UHCP President Denise Duncan, RN, also spoke.
