

# WE DID IT!

## We Ratified the New Contract!

We are pleased to announce that SPNN members overwhelmingly ratified - 87% voted yes - our new three year contract!

**By standing together we won.** Staying united we were able to achieve a historic contract that continues to make improvements for RNs.

**This hard fought win would not have been possible without nurses actively supporting each other** in the fight for quality patient care, respect, and improved working conditions.

**The SPNN Bargaining Team would like to thank all members who supported us throughout this campaign.**

Contact any of the SPNN officers if you have any questions.

In Solidarity,

Christina Magnusen, President  
Jackie Young, Vice President  
Sheila Berg, Treasurer
